Congratulations to Horacio Sanchez, winner of the triple crown. Horacio won the "golden boot" and "MVP" individual award categories. Horacio's team, Barcelona, also won the league title.

Kudos go out to Jon Rosenbaum, Jacob Brindle, and Tyler Gill. All three were also close in both the MVP and Golden Boot categories.

Scott Davis represented the 16s well finishing near the top of both the Golden Boot and MVP categories.

Finally, congratulations go out to Alex Menn. After some dodgy stats work by yours truly, it appears as if Alex has won the top goalkeeper award with a 6.66 goals against average. Jack Turanchik was five goals away playing the same number of games thus taking second place.

Congratulations to all the players on a great season! The effort and passion put in by the players made this league a great winter soccer experience. Good Luck to everyone during their Spring seasons!!
