

FAMILY CONTRACT

As a family, we agree to adhere to the club code of conduct for players, parents and including other family members (found on www.chicagofirejuniors.com).

__ Initial

We understand that player development and performance can change over a specific period within the yearly August 1st-July 31st timeframe. We also understand it is in the best interests of each player to train and compete in environments that are challenging and aid development. Therefore, the Chicago Fire Juniors may deem in the interests of player development to occasionally move a player up or down a level to continue his/her player development.

__ Initial

We hereby agree that all outstanding membership, scholarship and travel monies will be paid before a player release is granted.

__ Initial

We understand that as part of our club membership we must fulfil up to 10 hours of volunteer work or buy out at a rate of \$100 so that the club can hire labor in our place.

__ Initial

As part of our club membership we will buy 10 raffle tickets (Club Annual Raffle) that can then be sold off to recoup the money paid.

__ Initial

I fully understand and agree to the statements above.
